PLEASE NOTE:

COVID-19 is still present in our society. There are currently no restrictions in place however, we want to continue to encourage good hand washing hygiene/hand sanitizer use; attendance taking, encourage social distancing during static activity, allow anyone who wants to wear a mask to feel comfortable doing so and if a dancer is feeling unwell to stay home. We will continue to monitor SHA guidelines & adjust to any public health restrictions and guidelines announced. If need be, we will notify families using our regular email process.

We appreciate that people are moving back into regular activities at different paces. We are asking families to register their dancer(s) so we can finalize the plans regarding groups and dance times. Fee payments will not be required until the first day of the dance season with a final payment due November 1, 2021.

General Activities:

- Volunteer hours and fundraising will be required by family members to keep our registration fees low and to support the activities of the organization.
- A Valentine's Social Event is scheduled for the first Saturday of February.
- The Yorkton Kalyna Dance Festival is tentatively booked for April 28 – May 1, 2022. (This is a major event we host to celebrate Ukrainian Culture through dance and is one of our fundraisers.)
